 Version without the cover.

566 x 443 x 795 mm
 60 l

Type: 3695
 Version with the cover equipped with a lock.

566 x 443 x 945 mm
 60 l

Waste bin LUNA

- Design and surface finish according to the European market most modern requirements. Made of highly resistant plastic „Durapol“. Frame for a polyethylene bag is a part of bin. Protrusions on the bin perimeter for easy handling. Integrated protrusions on the bin casing make unwanted bin covering with stickers more difficult. Oval base saves space in narrow spaces. Fixing to the floor plate recommended.
