## Vacuum cleaner for tiny waste and excrements ▶

**Type: 3825**

- It can be used reliably everywhere that order and tidiness must be ensured. In particular in parks, playgrounds, city public grounds. It proved useful in an excellent way for collection of butts, tiny waste and dog excrements.
- Recommended period of operation from 1 to 4 hours a day. In case of need of the vacuum cleaner more intensive use, ask for an individual offer.
