

# INTERNAL FILLING STATION FOR DISPENSING DIESEL AND AdBlue®

## Mobile filling station for diesel 980 l ▶

**Type: 8148, 8149, 8150**

- Approved for transport under ADR supervision every 2 ½ years as per ADR 6.5.4.4.1 b) and ADR 6.5.4.4.2 b). Fully assembled.

**Tank:**

- 980 l made of polyethylene, single-walled (diesel tank).
- Integrated dispensing nozzle holder.
- Integrated filling inlet.
- Integrated valve and pressure release.
- Integrated recesses for forklift.
- Integrated grips.
- With crane lugs.
- With hinged lid.
- Integrated lugs for securing the trolley with straps during transport.

**Station equipment:**

- powerful electric pump, 4 m long filling hose DN25 (without hose reel, indicator and filter) and automatic nozzle.

**AdBlue®**

## ◀ Mobile filling station for diesel and a AdBlue® COMBI 850/100 l

**Type: 8151**

- Mobile filling station COMBI has tanks for both 850 l of diesel and for 100 l of the AdBlue® additive, making the filling station an universal fuel storage for agricultural machines, industrial machines and others.
- The filling station is equipped with an electric pump 24/12 V for the diesel section and a submerged pump SP30 12 V with output of 25 l/min. for the AdBlue® additive section.

**Tank:**

- Single-walled polypropylene tank.
- Integrated partition.
- Integrated dispensing nozzle holder.
- Integrated filling inlet.
- Integrated valve and pressure release.
- Integrated recesses for forklift.
- Integrated grips.
- With crane lugs.
- With hinged lid.
- Integrated lugs for securing the trolley with straps during transport.

**Station equipment:**

- powerful electric pump, 4 m long filling hose DN25 (without hose reel, indicator and filter) and automatic nozzle.

TYPE	NAME	VOLUME (l)	OUTER DIAMETERS w x d x h (mm)	WEIGHT (kg)	VOLTAGE (V)	PUMP OUTPUT (l/min)
8148	Mobile pump station 980 - 12 V	980	1,270 x 1,070 x 1,120	107	12	85
8149	Mobile pump station 980 - 24/12 V	980	1,270 x 1,070 x 1,120	107	24/12	70/35
8150	Mobile pump station 980 - 230 V	980	1,270 x 1,070 x 1,120	107	230	72
8151	Mobile pump station COMBI 850/100	850/100	1,270 x 1,070 x 1,120	121	24/12	70/25
