## Ecological pressed pallet

Type: 6444–6449

The pressed wooden pallets are an alternative to classic wooden EURO pallets with many advantages.

- Low weight and high strength.
- Saving store and transportation space.
- Full recyclability and problem-free disposal.
- Multiplied application.
- Ecological and export certificates for USA, Australia etc.

TYPE	MAIN DIMENSIONS (w x d x h) mm	WEIGHT (kg)	LOAD CAPACITY (kg)	NUMBER OF LEGS
6444	1,200 x 1,000 x 140	14	900	9
6445	1,200 x 800 x 140	11	1,250	9
6446	1,200 x 800 x 140	9	900	9
6447	1,200 x 800 x 140	7.5	250	6
6448	800 x 600 x 120	4.5	500	6
6449	600 x 400 x 120	4	250	4
